JUNE 19, TO JULY 29, 2021

ALL UNDERGRADUATE STUDENTS

**Areas of Interest** Religion, International Affairs, Liberal Studies

The UK is home to some of the 20th century's most influential fantasy literature, offering students on this program a chance to immerse themselves in the works of Lewis, Tolkien, and Rowling, and the real-world context that inspired them. Students will delve into the historical and religious backgrounds by visiting the authors' sites of visual and cultural inspiration, ranging from Oxford University's Christ Church, immortalized as the Great Hall in Harry Potter and academic home to Lewis and Tolkien, to an overnight in Edinburgh to see sites inspirational to J. K. Rowling. The impact of war by means of visits to the Imperial War Museum, Churchill War Rooms, and specific attention to the "Spirit of Dunkirk" as part of the British ethos will also animate this course.
